INTERNSHIP

Fall 2013 to Summer 2014

Athens, OH

Counseling and Psychological Services (CPS) Ohio University Doctoral Psychology Internship in Athens, OH

The philosophy of CPS's psychology internship program is based on a Developmental Mentorship training model. The program is designed to facilitate intern readiness to function as autonomous, entry-level practitioners with an intermediate to advanced level of competency in all professional areas.

- Provide clinical contact hours such as face to face individual, couple, group therapy and provision of supervision of a Doctoral level student. Group therapy includes two process experiential groups, one Finding Balance (DBT) group, and one Anxiety Management group.
- Participate in Group Therapy Apprenticeship.
- Provide and plan university-based outreach presentations or programs.
- Participate in regularly scheduled training seminars.

- Participate in clinical case staffings, outside trainings, and in-service trainings.
- Handle therapeutic and crisis emergencies through on-call phone coverage.
- Hours anticipated: 2000
- Supervisors: Dr. Fred Weiner and Dr. Rebecca Conrad Davenport

LICENSES/CERTIFICATIONS

- License as a Psychological Associate (Kentucky) (2013)
- License as a Professional Counselor Associate (Kentucky) (2006-2007)
- Temporary Licensed Psychologist (current)
- License as a Psychologist in Florida (current)

HONORS

- Inducted into Psi Chi in Fall 2005
- Inducted into Kappa Delta Pi, International Honor Society in Education on October 11, 2005
